

# Healthcare Initiative Foundation

## 2023 Strategic Plan

### Vision

The vision of the Healthcare Initiative Foundation (HIF) is a community where all Montgomery County residents have access to high-quality, comprehensive health, wellness, and social services delivered in a culturally responsive, equitable manner.

### Mission

To help achieve that vision, HIF supports innovative solutions in the delivery of health, wellness, and social services to help address social determinants of health, and to improve life expectancy.

### Values

The values of the Healthcare Initiative Foundation - **innovative, integrated, solutions-oriented guide** - and inform ground the work and programs that the Foundation supports.

### Strategic Goals

- To support affordable, integrated, culturally responsive health and wellness systems across the lifespan.
- To support comprehensive behavioral health services across the lifespan
- To increase effectiveness of and improve accessibility to health, wellness, and social services, we support convenings and collaborations amongst stakeholders that improve and integrate services.
