

Healthcare Initiative Foundation

2023 Strategic Plan

Strategic Goals

Supporting affordable, integrated, culturally responsive health and wellness systems across the lifespan.

Supporting comprehensive behavioral health services across the lifespan.

Supporting stakeholder convenings and collaborations amongst stakeholders to increase effectiveness and improve accessibility to healthcare, wellness, and social services.

Actions

- Support innovative solutions and proof of concepts with stakeholders to improve community health and wellness
- Engage in nonprofit coalition-building to facilitate cross-sector collaboration and improve health and wellness services (i.e., community impact assessments, integrated data collection, gap analysis for service delivery, community advocacy, etc.)
- Invest time and resources to improve service delivery, accessibility, and encourage innovation
- Invest in a culturally responsive and diverse health, wellness, and behavioral health provider network and services
- Invest in innovative workforce development programs to increase the size of the health, wellness, and behavioral health workforce
- Invest time and foundation resources supporting health, wellness, and behavioral health programs and services
- Support emergent health, wellness, and behavioral health needs
- Support integrated business and/or collective impact models for healthcare and wellness services
