

FY22 Healthcare Initiative Grant Impact Report \$1,421,750 in Capacity, Multi-Year, Emerging Needs & Small Grant Awarded to 43 Nonprofits Serving 142,412 Montgomery County Residents

I. \$1,019,730 Capacity Building Investment served 137,578 Montgomery County residents:

The Healthcare Initiative Foundation (HIF) awarded \$1.019M to #34 Montgomery County based nonprofits through the FY22 Nonprofit Capacity Building Grant Cycle. These community investments lifted the work of our nonprofit partners responding to the ongoing health, social, and economic crises focusing on access to high-quality, comprehensive community health and wellness, and the development of essential healthcare workforce while also allowing space for our nonprofit partners to build capacity for growth and long-term sustainability.

FY22 CAPACITY BUILDING Grant Recipients

HIF is elated to report that 99% of the capacity building investments went to our priority zip code areas; reaching communities with the lowest life expectancy rates in the county that avehistorically been under-invested in and served.

FY22 Priority Zip Codes from Recommended Grants

Accessibility to Foundation investments is paramount and HIF is committed to ensuring that nonprofits whose work aligns with our mission can successfully navigate the grant process. The number of new nonprofits that can access grants, along with the number of BIPOC led organizations, are some of the metrics HIF is monitoring. HIF is pleased to announce that 29% of the nonprofits awarded received HIF’s Capacity Building grant for the first time and 38% are BIPOC led organizations.
