

Celebrating

50 years of community
partnership and impact

Please help HIF welcome Kathryn Stevens as President and CEO

50 Years of HIF

1973

HIF formed to support local 'charities'

2012

HIF becomes a 501(c)3 private foundation

2024

Here today celebrating our journey together as partners

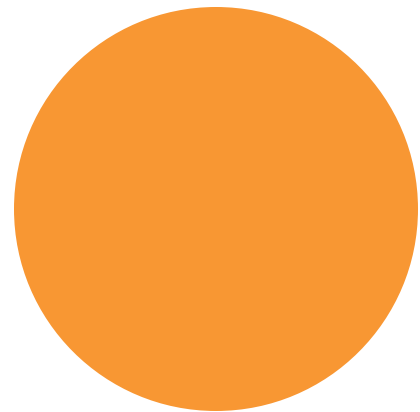

Advancing a Healthy Community since 1973

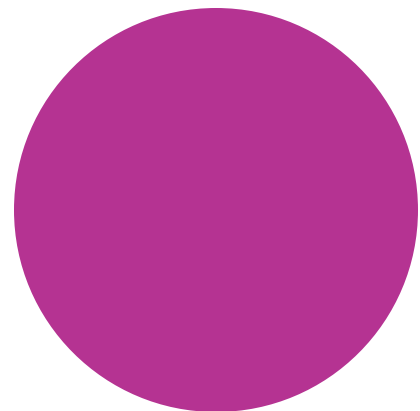

This restored ambulance was one of several purchased between 1972 and 1975. It just drove in the Poolesville Day Parade and is a gentle reminder of our roots

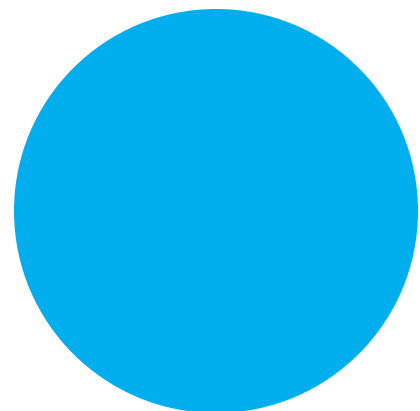

Advancing a Healthy Community

In 50 years, HIF has awarded nearly \$90 million dollars in grants to advance the health of Montgomery County.

HIF has partnered with and made grants to more than 175 nonprofit organizations serving Montgomery County and its residents.

HIF's first grant award was for \$2,000 and supported the purchase of a new ambulance for Bethesda-Chevy Chase Fire and Rescue.

HIF Values & Beliefs

Innovative

Solutions-Oriented

Integrated

Parity of Care among safety-net Clinics in Montgomery County helps create standard of service models.

2012

Uneven Opportunities Report is published and gives rise to the conversation around under-invested communities.

2018

First Annual Community Health Navigation Summit occurs at USG with 200 participants.

2023

2013

2020

2024

Food is Medicine develops as a model launching future collaborations

HIF acts as fiscal sponsor allowing \$2M in federal COVID emergency relief dollars to support Montgomery County residents.

Self-Sufficiency Standard continues to rise as an important topic among nonprofits.

Our Vision

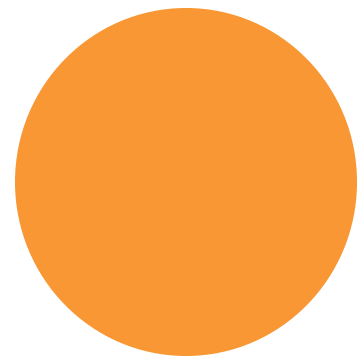

A community where all Montgomery County residents have access to high-quality, comprehensive health, wellness, and social services delivered in a culturally responsive, equitable manner.

Our Mission

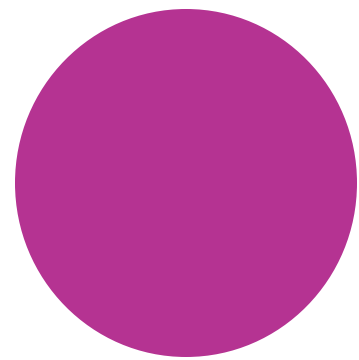

HIF supports innovative solutions in the delivery of health, wellness, and social services to help address social determinants of health, and to improve life expectancy.

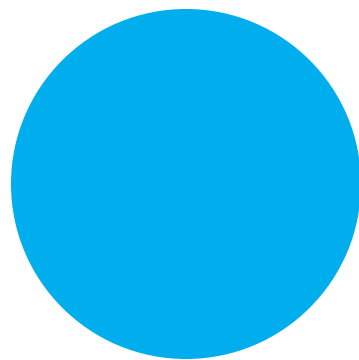

HIF Strategic Goals

Supporting affordable, integrated, culturally responsive health and wellness systems across the lifespan.

Supporting comprehensive behavioral health services across the lifespan.

Supporting stakeholder convenings and collaborations amongst stakeholders to increase effectiveness and improve accessibility to healthcare, wellness, and social services.

Parity of Care among safety-net Clinics in Montgomery County helps create standard of service models.

Community Impact Stories

Healthcare Workforce Education Pipeline

A \$2 million dollar investment by HIF in its 8th year providing a scholarship pipeline for critical health careers in Nursing, Public Health, and Behavioral Health students studying at Montgomery College and following on to The Universities at Shady Grove.

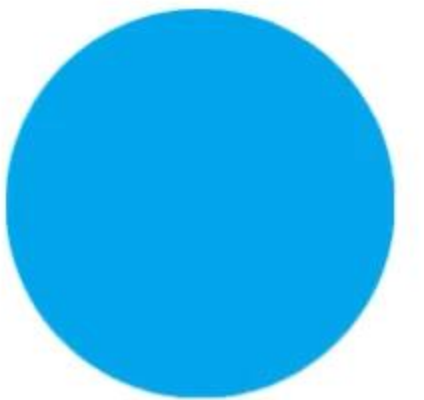

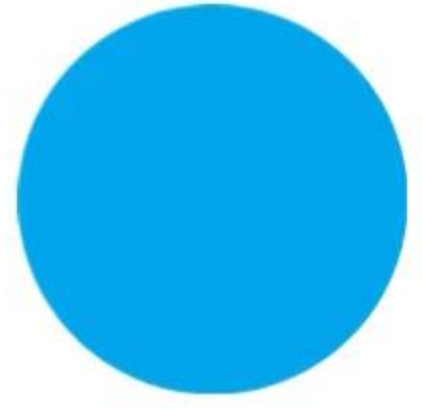

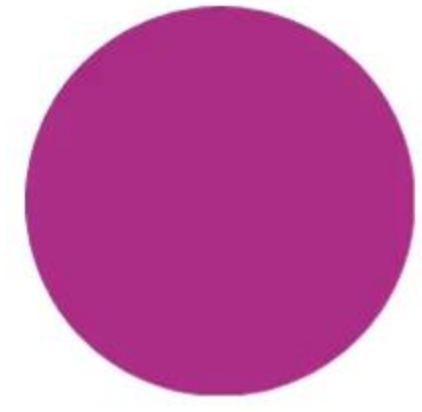

Community Impact Stories

Food is Medicine

Food as Medicine is an innovative, place-based solution that brings together farming partners, food distribution centers, primary care clinics, and direct service providers to ensure access to locally grown, nutritious produce for our community members.

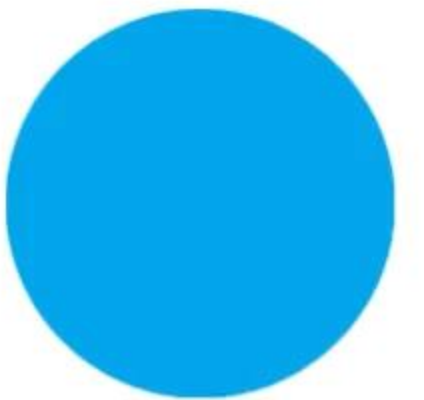

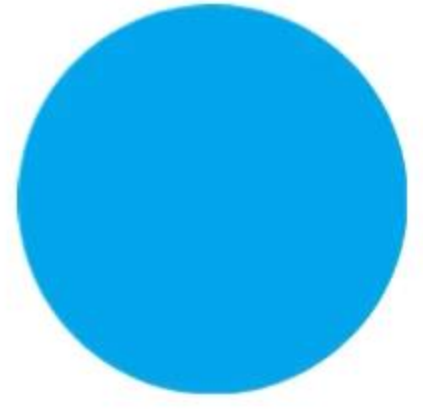

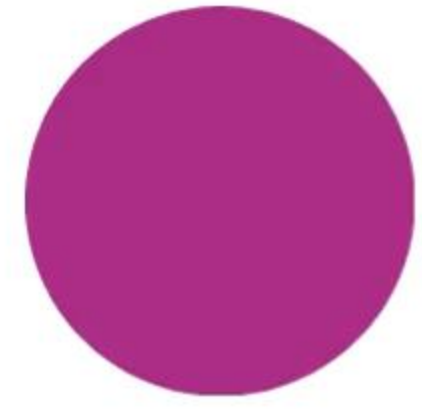

Community Impact Stories

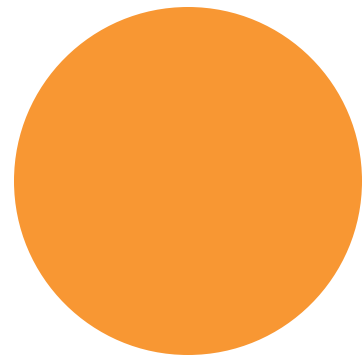

Youth Behavioral Health

A need exacerbated by the pandemic, our nonprofit partners are creating health and wellness eco-systems in schools and in the community that encourage active input and participation by students, their families, behavioral health providers, mentors, school leaders, and nonprofits.

**You will break out to your
pre-assigned sessions**

Collaboration & Networking

- What are the characteristics of the communities you serve and the challenges they face related to this priority area?
- Are there opportunities for collaboration to find innovative solutions to address these challenges together?
- What resources and support would help you accomplish this?

**You will break out to your
pre-assigned sessions**

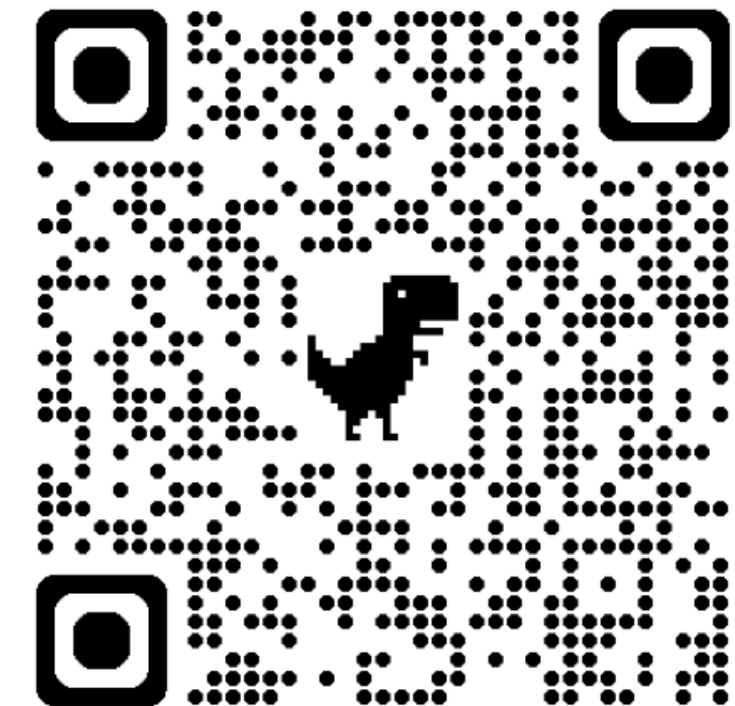

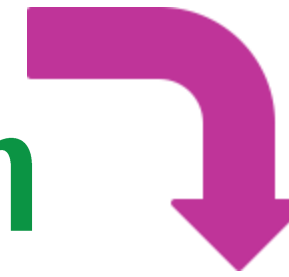

Please help HIF welcome Kathryn Stevens as President and CEO
