PARTNER CONNECTIONS

Topics to consider before your grant discussion

Prepare your 'elevator pitch'

If you are new to HIF, be prepared to talk high-level about your overall organization and its mission

Proposed Project

Come ready to talk about the need your project will impact and how HIF's dollars will be used if awarded.

Goal and metrics

Conduct some preliminary thinking about the overall goal and objective metrics you are measuring for this project.

Application Review

Prior to meeting with HIF, review the application to see what specific questions you might have or clarification you might need.
